Stakeholder Notification Letter

Date: 28th October 2026

To nearby businesses, residents and visitors

Dear Neighbours,

We are writing to advise you of a proposed community alumni gathering and associated photography and filming at Hickson Road Reserve, on the lawn near Park Hyatt Sydney. The activity commemorates the 160th anniversary of Sun Yat-sen's birth and 160 years of medical education at Sun Yat-sen University.

The gathering is organised by the Sun Yat-sen University Australia Alumni Association Incorporated together with the Zhongshan Medical School Sydney Alumni Association. Approximately 160 participants will hold LED lights and stand in a formation depicting the number 160. Photography personnel and support volunteers will assist onsite.

Detail	Proposed arrangement
Date	Saturday 31 October 2026
Public activity	6:30 pm–8:30 pm
Setup	6:30 pm–7:00 pm
Pack down and departure	8:30 pm–9:00 pm
Location	Proposed lawn area at Hickson Road Reserve shown on the attached map. Final footprint subject to venue approval.

Visitors may notice participants arriving, assembling and leaving, and camera/tripod equipment within the approved activity area. We propose battery-powered handheld LED lights and ground-based photography, with no amplified music, road closure, pedestrian holds, production vehicles or temporary structures. The lights will be managed to avoid glare towards hotel rooms, road users and harbour users.

Public walkways and access to nearby premises will remain open. Volunteers will assist with group arrivals and monitor the activity boundary. If congestion develops, we will pause the filming and adjust our arrangements to maintain safe public access. All equipment and waste will be removed after the activity.

If you have any questions or concerns, please contact our representative:
